

FORM 9 INSTRUCTIONS

MONTHLY GAS REPORT

Where gas is taken from an oil and/or gas well by the producer into a fuel or other gas system and used outside the basic lease said producer is required to make this report. In case gas is taken at the well by any person other than the producer then such person is required to make this report.

One copy shall be filed with the Board of Oil and Gas Conservation at the Helena address as shown on the form.

One form is to be filed for each facility that receives gas. Use additional pages (Page 2 of form) as necessary.

The addresses, as required on this report, shall be clear and definite as to Street Number, City and State and include the telephone number of the person filing the form.

This report is due the last day of each calendar month and shall be complete as to data covering the calendar month preceding the date of filing.

A single form may be used for multiple fields or pools by indicating the field or pool in the left column of the form with producer(s) listed under the applicable field or pool.

Report the volume of gas taken from each gas well separately. Report the volume of gas taken from oil wells by meter station. All volumes shall be reported in MCF at 14.73 lbs. pressure.

If any space does not apply fill in the word "NONE."
